LEGAL: TR D-4 CALAIS

ZONING: B-3

D. B-3: General Business District

1. Purpose

The B-3 district is intended primarily for general commercial uses in commercial centers and areas exposed to heavy traffic. These commercial uses are intended to be located on arterials, or within commercial centers of town, and to be provided with adequate public services and facilities. They are subject to the public view and should provide an attractive appearance with landscaping, sufficient parking, and controlled traffic movement.

Environmental impacts should be minimized. Abutting residential areas should be protected from potentially negative impacts associated with commercial activity. While B-3 district areas shall continue to meet the need for auto-related and other auto-oriented uses, it is the municipality's intent that the B-3 district also shall provide for safe and convenient personal mobility in other forms. Planning and design shall accommodate pedestrians and bicyclists. In addition to a wide range of commercial office, retail and commercial services, other use categories such as residential and community uses, and mixed-use projects, are allowed.
